

Character Counts!
Make it Your Cause for Celebration
and Wear the Character Counts! Colors
October 22-26, 2018

Character Counts! Week is the largest celebration of character worldwide. The program provides our youth a framework for positive living and making the right choices. Join the Indian Valley Character Counts! Coalition as we celebrate the character of ALL our community members during the week of October 22-26. Show us your character by posting photos of yourself wearing colors that represent the pillars of character on our social media channels or e-mail your pictures to donnap@northpennymca.org
